Transylvania's Legendary Fortress

Visit the fabled castle that has come to be associated with Bram Stoker's most famous creature—Dracula.

Journey with your guide into the sylvan landscapes of Transylvania, Latin for "land beyond the forest." This rural expanse of hills, mountains and tidy villages is one of the last great unspoiled wildernesses of Europe. Here, ascend to the red-roofed medieval fortress, perched atop a rocky outcrop. This grand structure actually has no link to Stoker's fictional character, though the 15th-century prince upon whom he was based, Vlad the Impaler, is said to have stayed here for a couple of nights. Today, Bran Castle is a repository of period furnishings owned by Queen Marie of Romania, the nation's last queen consort. Enjoy a guided tour of the spectacular property while enjoying sweeping views of the surrounding Romanian countryside.

Demanding - Physically challenging activities, including extensive walks, hiking, riding, water sports, and high altitude activities. Activities by foot may contain difficult, unpaved surfaces and/or multiple stairs and steep inclines. Total time walking or standing may exceed 3 hours.
