Explore the City's History and Landmarks

Discover Pleven, one of the most beautiful cities in Bulgaria, located on the scenic Danubian Plain.

Embark on a scenic drive by motor coach to the heart of the city to explore its cultural delights. Here, you will visit St. Nicholas Orthodox Church, built in 1834, and enjoy a stroll through the city's pedestrianized district, passing Pleven's cascading fountains. Arrive at the St. George Chapel Mausoleum and enjoy a guided tour. Built in 1907 in dedication to St. George, the patron saint of soldiers, the landmark honors the Russian and Romanian soldiers who fought in the 1877 Siege of Pleven during the Russo-Turkish War. Continue to the Pleven Epopee 1877 Panorama, a monument created by thirteen Russian and Bulgarian artists to commemorate the battle. After exploring its impressive halls, you will return to your coach and drive back to your awaiting ship.

Moderate - Walking portions may be long and somewhat challenging with occasional step-ups, stairs and inclines. Total time walking or standing normally ranges from 1.5 to 3 hours.
